
Survival Cookbook Curtis Patranella

by curtis patranella - powerofthecountysheriff - by curtis patranella about the cover of "the confederate handbook": the cover depicts the flags that have flown over the confederacy of states since its inception. also depicted is the great thomas jefferson, an anti-federalist, and architect of the democratic republic. last, but not least, is the depiction of jefferson davis, an anti-federalist who, as president of the csa, headed the ...
